For 150 years, the Cowlitz Tribe was denied federal recognition and reservation status.

Now, our Tribe has been granted federal recognition and is seeking to establish a reservation and some economic foundations that will carry us into the 21st century.

- It will provide a vibrant, clean industry and 3,000 new jobs in Clark County.
- The Cowlitz Tribe will own the casino resort and revenues will benefit Tribal members.
- Millions of dollars a year will go to local governments in lieu of taxes.

The Cowlitz Tribe has proposed to build the world-class Cowlitz Casino Resort on 152 acres at the I-5 interchange near La Center featuring outstanding entertainment, fine dining and quality shopping.

HOW WILL THIS BENEFIT YOU?

3,000 New Jobs with Health Care and Benefits

The Cowlitz Casino Resort will create 3,000 jobs with health care and benefits for the Clark County community, positions open to Tribal members and local residents alike. These will be great opportunities in a

clean, honest work environment. Furthermore, the casino resort will support the local economy as it will purchase goods and services from regional businesses.

Revenue Benefits Tribal Community

The Cowlitz Tribe will own the casino resort and revenues will go to benefit Tribal members:

- Scholarships and other educational opportunities for our children.
- Health care and prescription drugs for the Tribal elders.

- Funding for the numerous services provided by the Tribal government.
- Preservation of the historic Cowlitz culture.
- Many more community benefits.

Millions of Dollars a Year to Local Governments in Lieu of Taxes

plus...

- Donations to educational and arts projects throughout Clark County.
- Money to improve roads, rebuild the I-5 interchange and mitigate environmental impacts.
- Create opportunities for mass transit and streamlined traffic flow to preserve air quality.
- More than \$50,000 a year for gambling addiction treatment.

A Vibrant, Clean Industry for Clark County

Along with world-class gaming, the Casino Resort will bring family-oriented entertainment, fine dining and great shopping, as well as needed infrastructure, to the Discovery Corridor. Because of the outstanding nature of the casino resort,

visitors from throughout the Portland area and beyond will come and spend money at the casino resort and at local businesses. This will help reverse the flow of money from Clark County into Oregon.

We believe the Casino Resort is a tremendous opportunity for the Cowlitz Tribe and for Clark County residents. We are dedicated to being good neighbors and making the Casino Resort a positive amenity that everyone can enjoy.

Public meetings will be held on June 14th and 15th, at 6 p.m., at Skyview High School to discuss the draft Environmental Impact Statement (DEIS). The draft is available at www.analyticalcorp.com, the web site of Analytical Environmental Services, an independent firm who developed the DEIS under the oversight of the Department of the Interior's Bureau of Indian Affairs.
